Dear Mr. Korbonski:

Reference is made to your letter of August 15, 1955, and the enclosures therewith, in which you advise of the activities of a newly created organization entitled the Assembly of Captive European Nations.

A review of the submitted pamphlet indicates that the Assembly will soon take positive action to implement its proposed program which is aimed at the liberation of Eastern European nations. Information contained in your letter indicates that you are Acting Chairman for the New York Office of the Assembly. Consequently, in order that a determination can be made with regard to the obligations of the New York Office under the Foreign Agents Registration Act of 1938, as amended, you should advise this Department in as much detail as possible of the activities which the New York Office of the Assembly presently engages in and its proposed activities on behalf of the Assembly in the United States.

Sincerely,

WILLIAM F. TOMPKINS
